

Dear Mrs Lamaison,

Thank you so much for changing so many children's reading. For inspiring them and lighting a spark in them. I was one of those children and you have made me see a new perspective ⁱⁿ everything that I read. Your great obsession ~~to~~ to love books has rubbed off on me and so many other children. ~~With great respect for your kindness to everyone~~ Thank You.

Lots of Love Ben Sussans

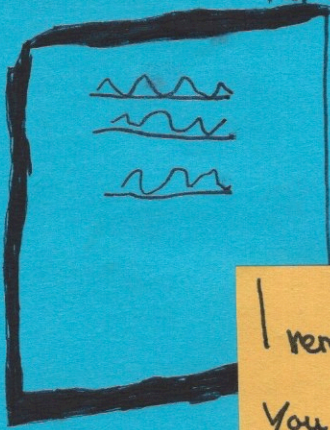

I remember in Year 4 I struggled with reading and you chose ~~me~~ a great book for me to read and it was the best book I have ever read.

You were really kind to me and you would never stop smiling.

I will really miss you.

I will always remember the time when I was an infant and ^{Mrs Lamaison} she let me choose a yr6 book which inspired me to read as I do now. Sam @ Yr6 Timms

Mrs Lamaison was an amazing person ^{who} ~~and~~ inspired everyone with her love of reading. Her selfless, caring nature was always expressed when I saw her. I will always remember her reading with me and helping me ^{to} improve my reading in her own time.

I remember you making me happy!!

You gave me hugs when I was down. You ~~was~~ ^{were} so kind and caring to me. I loved it when you said hello to me and gave me your big ~~cheesy~~ smile. You inspired me to read so much when I was younger and now I still love it as much as you!

I will miss seeing you around school! xx
